

Vanilla high-fat, low-carb, no-sugar-added PROTEIN ICE CREAM

IdaPlus 1085 in ice cream provides a delectable and healthy treat

High-fat, low-carb, no-sugar-added protein ice cream is ideal for consumers looking for delicious and diet-friendly treats, especially those following the Keto or Atkins style diet. Our IdaPlus 1085, an enhanced, highly functional Milk Protein Concentrate, provides ice cream with faster dispersion and hydration, improved foam stability, higher water holding capacity, and moderate protein content without sacrificing premium mouthfeel.

Our unique, vertically integrated business model facilitates the creation of the freshest and cleanest flavored proteins, while maintaining the best solubility in the market. As evidenced by winning 1st place Best of Class for our milk protein isolate at the 20th U.S. Championship Cheese Contest, our proteins are the premium proteins available. Don't trust your project to anything other than the best.
